

Our Location

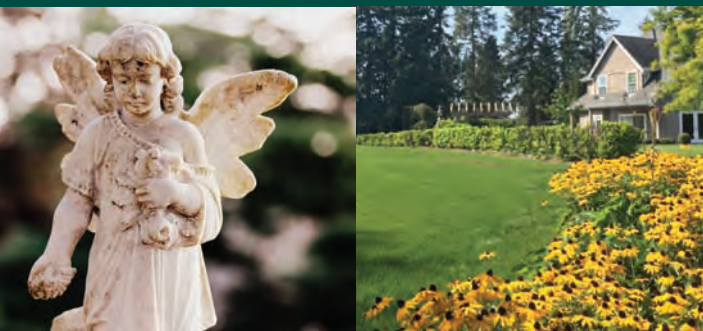

Our Grounds

Situated in the Campbell Valley Region of South Surrey, we are surrounded by towering Cedar and Douglas Fir trees. We are connected via walkway to the Historic Hazelmere Cemetery, where some of Surrey's early pioneers are buried.

Behind us runs the Little Campbell River; over two acres of the grounds have been dedicated to the City and converted into a protected natural conservation area, where bald eagles and other wildlife are often spotted.

Visiting Hours

The cemetery is open to the public seven days a week. Hours are posted on the premises as well as on our website, and will vary throughout the year depending on daylight.

Office Hours

Monday - Friday 9:00 am to 3:00 pm
Except Holidays.

T: 604-538-0074
E: info@hgcemetery.com

Within our grounds you will find the **Greater Vancouver Orthodox Cemetery** and the **Sampaguita Garden**, two of our community partners. The grounds will soon feature gazebos and seating areas for personal prayer or reflection. Come visit us to learn more about our community partnership opportunities and plans for the future.

Heritage Gardens

CREATING COMMUNITY LEGACY

www.heritagegardenscemetery.com

Our Heritage

The Kearney-Crean family are third and fourth generation funeral directors. In 1908, our Great-Grandfather Thomas Kearney set out to serve families with integrity and compassion- values we will always hold true.

Now, in an era of sustainability and environmental consciousness, we have built Heritage Gardens to reflect the values of the families we serve. As a new cemetery, we can offer single-family plots, or dedicated sections for entire communities.

One day this cemetery will be a museum of community and cultural reflections. While the loss of a loved one is sad and often life-changing, those individuals deserve to be honoured and celebrated for their unique stories and contributions.

Our vision is to provide a community-minded cemetery that will be a gathering place for families both in mourning and in celebration- our inaugural event was a wedding this past summer!

Plots & Pricing

Starting at \$8,998, our family plots contain space for 2 caskets and up to 8 urns; allowing families to be memorialized together if they choose.

Cremation options available in November 2018, starting from \$3,000 for a double niche.

We offer financing options: pay in four installments with no fee, or pay over twelve installments for an administration fee of \$200.

Prices subject to change, please contact cemetery office or current pricing.

Natural Burial

We encourage natural burial practices throughout the cemetery, and we're opening a dedicated Green Burial section in 2019.

We do not require the use of casket vaults, allowing the body to return to the earth at a natural rate while saving families additional expense. Our goal is to provide families with options, empowering them to make decisions based on their values.

Planning Ahead

Making end-of-life decisions in advance ensures your wishes are met and can save your family added strain during a time of grief.

Purchasing a plot before it's required also allows you to secure the price at today's rate, rather than paying for inflation down the road.

Ask about our payment plan options to determine what works best for you.

Immediate Need

If someone has passed, or is soon to pass away, you will need to contact a funeral home.

Once you have established a funeral provider, we will work with you and the funeral home to coordinate burial arrangements.
